

Pending any move-ups, this is your final confirmation with the running order and timeline for the Newnan Kennel Club trial September 18-20, 2026. If your dog does get to move up, CONGRATULATIONS! Don't forget to email me by 6pm on Monday, September 14th.

UNLOADING

We will be unloading at 3pm on Thursday, September 17th. We will be paying \$10 in NKC bucks for those that help us unload. For those that help us unload you may set up beginning at 2:30 pm. All others may set up at 4:30 pm, no exceptions.

RV & CAMPING

RV or dry camping parking is by reservation only. Please be aware that all spaces have been reserved, so everyone will need to fit!

VOLUNTEER SIGN-UP

Trials are successful because of our volunteers. This is a small trial, so we need everyone to step-up and work when you're not entered in a class. Volunteers will receive \$2 in NKC Bucks for each class worked (double for the first and last classes of the day), and will get tickets to enter the Worker Raffle featuring all types of wonderful prizes. You can sign-up to volunteer here: <https://tinyurl.com/NKCvolunteer>

FRIDAY NIGHT DINNER!

Jane Beckman has graciously offered to host a fondue dinner for all competitors at the arena on Friday night. She will provide rice and squash casseroles, a salad, and beef and chicken for the fondue. If you'd like to bring a side, drinks, a dessert, or plates/napkins/utensils, please let me know!

TIMELINE & RUNNING ORDER

The final running order and timeline are attached. Classes can, and do, run faster (or slower) than the timeline indicates. If you are running two or more dogs, I've tried to give you as much space between runs as I can, but we can hold the ring if necessary. Any other changes will have to be worked out with the gate. The running order for FAST is set and can not be changed. Plan on being at the arena at least 90 minutes before the scheduled start of your first class if you are not in the first class of the day. Judging begins at 8am all three days.

AGILITY GATE

We WILL be using Agility Gate, and there have been some recent updates that you may not be aware of. Make sure you are running the latest version (1.1.6); if your phone hasn't updated to this version, please download the app again. **Agility Gate code: 3025**

ALL FORMS (timeline, running order, volunteer link, and maps) can also be found on my website (<https://www.d3agility.com/>)

AKC MEASURING

There will *not* be a Volunteer Measuring Official (VMO) at the trial. It is the competitor's responsibility to have their dog measured before their first run of the day by the judge. If you need a measurement, that measurement is only good for this trial. Please be respectful of Beth's time and availability.

VENDORS

- Mike & Liz Meehan will have handmade dog treats
- Wild & Six will have their single-ingredient, high-quality treats made from novel proteins

CONCESSIONS

The concession stand at the arena will be open for breakfast and lunch all three days of the trial.

Fix and Go On (FNG)

- As of January 1, 2020, Fix and Go On will be offered. FNG allows exhibitors to immediately reattempt an obstacle at any time while on the course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle

and then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

Entering For Exhibition Only (FEO)

- For Exhibition Only is being offered at the option of the host club. FEO allows exhibitors to work with their dogs in a trial environment. As of July 1, 2024 FEO is allowed in all classes. Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may also be declared when checking in at the gate board but it is still the competitor's responsibility to ensure FEO is declared to the judge.

The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

- Toys are allowed in the ring
- Toys must be non-audible
- Toys may not leave the handler's hand
- Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring. A judge must monitor the entire run. Judges can stop a run at any time.

FINAL CONFIRMATION

Please check all information listed below carefully, and contact me with any discrepancies immediately. I (<<TRIALSECRETARY>>) can be reached by e-mail address at <<EMAILID>>. I will be getting set-up for the trial, so if there is an error, I need to know no later than Tuesday, September 15th.
