This is the expected running order, but adjustments may need to be made depending on number of entered runs, or other considerations.

Judging will start no earlier than 8 AM each day—Your Final Confirmation and Trial Information, emailed after the close of the trial, will provide details on start times each day.

NOTE: To avoid ring conflicts for Master Standard and JWW so that the same height is not running simultaneously in both rings, we will most likely shift the height running order for those classes in one of the rings (probably the JWW ring.)

Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

DOG ELIGIBLE TO ENTER

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes.

Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four (4) months of age are strictly prohibited from the trial grounds.

OBSTACLES AND RING CONDITIONS

Obstacles meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. Two rings, 100' x 100', outdoors, under cover, on packed dirt. 24" spaced weave poles, rubber contacts, plastic jumps, displaceable tire, and electronic timers are used. There will not be a wall jump.

WALK-THROUGHS AND WARM-UP INFORMATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in the next class only and will be limited to a maximum of 60 handlers per AKC rules. Handlers with multiple dogs/conflicts may walk with a different jump height if needed. Tell the gate-steward if you need to move your dog, they will help you manage your conflict.

A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

RINGSIDE - Dogs may arrive any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.

Judges are not required to wait for dogs. The owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

ENTERING FOR EXHIBITION ONLY (FEO)

- For Exhibition Only is being offered at the option of the host club. FEO allows exhibitors to work with their dogs in a trial environment. As of July 1, 2025 FEO is allowed in all classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

- The exhibitor must declare FEO in the ring prior to leading out. FEO may also be declared when checking in at the gate board but it is still the competitor's responsibility to insure FEO is declared to the judge.

FIX AND GO ON (FNG)

Fix and Go On (FNG) is not pre-entered; rather, it occurs during the course of the run. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. The competitor need not signify their intention to the judge. The judge will declare FNG when they see it being executed.

MOVE-UP REQUESTS

Move-ups must be sent in writing (e-mail is acceptable and preferred) to the Trial Secretary for the Friday September 6, 2025 trial, no later than **Monday, August 31, 2026 by 6:00 PM**. Move-ups from Friday to Saturday, Saturday to Sunday must be submitted to the trial secretary no later than 15 minutes after the last class on Friday and Saturday.

SAFE ENVIRONMENT

The AKC is committed to creating a safe and respectful sport environment for all. If you need to talk to someone, or need help, please call 800-656-HOPE (National Sexual Assault Hotline) or text HOME to 741-741 for free, 24/7, confidential services from trained crisis counselors.

ENTERING A MIXTURE OF REGULAR AND PREFERRED CLASSES WITHIN THE SAME TRIAL WEEKEND – MULTIPLE JUMP HEIGHTS WITHIN THE SAME TRIAL DAY

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

PLEASE NOTE:

Effective 1/2/18, the 26-inch jump height division is replaced by the 24-Choice jump height division.

HEIGHT DIVISIONS

Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers Regular Dogs may NOT be entered in this height if they are 22 inches and under
24C"	n/a	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers Dogs who measure into the 24" regular jump height division may not enter 24-choice

MEASURING AND HEIGHT CARD INFORMATION

Jump height cards are not required to be submitted with the entry form. However, ALL entered dogs without a valid Jump Height Card must be measured by one of the judges before the dog's first run of the trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores. Neither judge is a VMO so this is an unofficial measurement.

The "height at withers" box on the entry form **MUST** be filled in with dog's height at withers. You must declare an estimated height at withers if your dog needs to be measured.

AKC RULES AND REGULATIONS

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules/>.

REFUND INFORMATION

Bitches in season are not permitted at the trial. Any exhibitor with a bitch entered, which is in season on the trial date, will be refunded the entry fee, less \$5 per run/each day, upon written certification from a veterinarian. Refund request must be received by the trial secretary no later than 30 minutes before the start time on the first day of the trials.

Injured Dogs – Will be refunded the entry fee less \$5 per run/each day, upon written certification from a veterinarian (on clinic letterhead). Refund request must be received by the trial secretary no later than 30 minutes before the start time on the first day of the trials.

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee.

NOTICE TO EXHIBITORS

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. It is expressly understood that the exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In such case, no refund of any entry fees will be made. All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area. No dogs may be left tied to trees, cars, fences, etc.

Dogs under 4 months of age are not allowed at this trial. Entry fees will not be refunded in the event that the dog is absent, disqualified, excused, or barred from competition by action of the Event Committee. No entry fee will be refunded if the trial cannot open or be completed by reason of civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. Exhibitors are responsible for being at the ring gate when it is their turn to run. No classes will be held up by a late exhibitor.

Canine Capers Dog Agility Club, the trial secretary, their agents, etc., assume no responsibility for any loss, damage, or injury sustained by exhibitors or their dogs or property, and further assume no responsibility for injury to children not under the control of their parents or guardians.

PRIZES AND AWARDS

Rosettes are awarded to the 1st through 4th place teams in each jump height in each class. Dogs must qualify to receive placement ribbons. Qualifying ribbons are awarded to all dogs receiving qualifying scores. Teams earning a title receive a New Title rosette. INSTRUCTIONS

*Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

*All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

*Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

*Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
