Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

## DOGS ELIGIBLE TO ENTER

## OBSTACLES AND RING CONDITIONS

Obstacles meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. One ring, 100' x 100', outdoors, under cover, on packed dirt. 24" spaced weave poles, rubber contacts, plastic jumps, displaceable tire, and electronic timers are used. There will not be a wall jump.

## WALK-THROUGHS AND WARM-UP INFORMATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in the next class only and will be limited to a maximum of 60 handlers per AKC rules. Handlers with multiple dogs/conflicts may walk with a different jump height if needed. Tell the gate-steward if you need to move your dog, they will help you manage your conflict.

A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

**RINGSIDE** - Dogs may arrive any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.

Judges are not required to wait for dogs. The owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

## ENTERING FOR EXHIBITION ONLY (FEO)

- For Exhibition Only is being offered at the option of the host club. FEO allows exhibitors to work with their dogs in a trial environment. As of July 1, 2024 FEO is allowed in all classes. Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may also be declared when checking in at the gate board but it is still the competitor's responsibility to insure FEO is declared to the judge.

## FIX AND GO ON (FNG)

Fix and Go On (FNG) is not pre-entered; rather, it occurs during the course of the run. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. The competitor need not signify their intention to the judge. The judge will declare FNG when they see it being executed.

## MOVE-UP REQUESTS

Move-ups must be sent in writing (e-mail is acceptable and preferred) to the Trial Secretary for the Friday September 18, 2026 trial, no later than **Monday, September 14, 2026, by 6:00 PM**. Move-ups from Friday to Saturday, Saturday to Sunday must be submitted to the trial secretary no later than 15 minutes after the last class on Friday and Saturday.

## ENTERING A MIXTURE OF REGULAR AND PREFERRED CLASSES WITHIN THE SAME TRIAL WEEKEND – MULTIPLE JUMP HEIGHTS WITHIN THE SAME TRIAL DAY

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

### PLEASE NOTE:

Effective 1/2/18, the 26-inch jump height division is replaced by the 24-Choice jump height division.

### HEIGHT DIVISIONS

| Handlers may opt to run their dog in a higher height division. | Handlers must run their dog in their proper eligible height. | Owners are responsible for entering their dog in the proper height division.                                                                                                                                    |

### MEASURING AND HEIGHT CARD INFORMATION

Jump height cards are not required to be submitted with the entry form. We do not have a VMO for this trial. However, if your dog does not have a permanent jump height card and jumps below 24", the dog must be measured by one of the judges for an unofficial measurement. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

The "height at withers" box on the entry form **MUST** be filled in with dog's height at withers. You must declare an estimated height at withers if your dog needs to be measured.

**INSTRUCTIONS**

\*Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

\*All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

\*Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

\*Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
