

AOC August 2026 Final Confirmation Letter

This is your FINAL Confirmation for the Atlanta Obedience Club's 2026 Dog Days of Summer trial being held August 14-16 at Radda's K-9 Campus. The Running Order and Timeline are attached. Remember that class counts and the final running order are subject to change due to move-ups, withdrawals, injuries, and BIS. A final running order after all move-ups are processed will be posted on the AOC Agility Facebook page, on my website d3agility.com, and available at the trial.

IF you need to pull your dog for any reason, **and** we can fill your spot from the waitlist, we will refund your entry fees.

SPECIAL NOTE: Per AKC rules for dog trials, dogs must be on leash anywhere on the trial grounds between trial hours (7:30 a.m. - 5:30 p.m. or last run whichever is later) except while warming up your dog or running your dog. THIS INCLUDES THE OFF LEASH PLAY YARD! We will be placing a practice jump in the off leash play yard for a secure warm up area. Only one competitor and 1 dog in the play yard for warm ups at a time. Violations of the off leash rule will be taken seriously.

Friday will be low to high; Saturday will be high to low; Sunday will be low to high.

Daily walk thrus will have MASTER/EXCELLENT 4/8/12 together and MASTER/EXCELLENT 16/20/24 together. It saves a lot of time combining the groups this way. FAST will run combined See Agility Gate for the Walk Splits.

 **START TIMES**  The first briefing will take place no later than 7:35 AM with the first class starting promptly at 8:00 AM. No competitors will be permitted inside the building before 7:00 a.m.

 **MEASUREMENTS**  There will **NOT** be a VMO at this trial. If your dog does not have a temporary or permanent height card, it needs to get measured **before running** and that measurement is only good for this trial.

AGILITY GATE APP (Password is 1776)

We will be using the Agility Gate app. This allows exhibitors to check in or scratch for their runs through the app and to follow along by looking at the gate sheets as dogs are crossed off when they run. Please remember that you are still responsible for being on time for your walk-thrus and runs. The internet can sometimes be slow or go down completely. Radda's Wi-Fi password is posted on the chalkboard on the wall inside the front door.

To use the Agility Gate app, please download it from the Apple App Store or the Google Play Store. Make sure you have the current version - 1.1.5

COURSE MAPS

There will be **NO** paper course maps for exhibitors. Course maps will be posted to the AOC Agility Facebook group by 6 a.m. and in the Agility Gate app sometime after midnight the day of the trial. There will also be a paper copy of the maps posted at the trial.

Please print the running order for the trial included with this confirmation if you prefer a paper copy. There will be copies posted at the trial. Only move-ups submitted by August 10th will be reflected on the paper posted running order; day-to-day move ups will not be. For the most current running order for each day, please use the Agility Gate App.

Please remember to not crowd the gate steward when you are ringside or congregate around the entrance or exit gate for the rings. We need to be able to easily get dogs in and out of the ring to keep the trial on schedule.

TIMELINE

An estimated timeline can be found on my website, d3agility.com. THIS IS ONLY AN ESTIMATE. It does not reflect move-ups or changes. The trial can run faster or slower than what is shown. It is YOUR responsibility to be at the gate when it is your turn to run. If you miss your run or walk-thru because you were relying on the timeline, you may not be able to walk or run. Walk thru splits will be marked on the paper gate sheets at the trial and on Agility Gate. Check Agility Gate to see where we are in the running order.

RADDA'S RULES & INFORMATION

Please read the information on my website regarding crating, chairs, ring flow, etc.

PARKING

Please follow signs and directions from people helping direct traffic. Please do not park in the reserved parking spaces at the front of the building. If parking on the gravel in front of the building, please park as close as possible to the other cars to still allow room to get dogs in and out of each car while maximizing parking space. Please leave spaces closer to the entrance for people crating out of their cars. If crating from a van, please back into the parking space.

There is no parking directly behind the building! There is plenty of gravel parking straight ahead on the right past the RVs that will be on your left! If it is raining, you park at your own risk in the front pasture. Towing fees will be at your expense if you get stuck!

Please do not park along the fenced dog yard or anywhere across from the RVs. You will be asked to move your vehicle if you park in these areas without express permission.

RV PARKING IS PAID ONLY! No unauthorized vehicles may park in any RV spot!

The front gate does not typically open until 7 a.m. Please do not come early to help avoid cars backing up traffic while waiting for the gate to open!

VOLUNTEERS

The online volunteer sign up sheet can be found at d3agility.com. I will also post the run order, timeline, and each day's results on my website.

If you have any issues with the online sign-up sheet, please reach out to Lynn Martineau at lynn@d3agility.com or via text to 404-427-0840.

FOOD

WE DO NOT HAVE A FOOD TRUCK for this trial so please plan accordingly! There are places to get food within 15 minutes of the arena. If you are planning a MACH/PACH party, please confirm with Lisa Miller for availability of the kitchen. We can only accommodate 1 party per day. We will be celebrating Binx's AGCH on Saturday with a cookout!

We will provide water for volunteers in the cooler in the kitchen. There is a Keurig coffee machine in the kitchen and we will have K-cups and creamer available. Feel free to also bring your own K-Cups.

Thank you so much for entering our trial! Wishing everyone fast, clean runs! Have fun!!

Sincerely,
Lynn Martineau
